## **JIMTOF 2020 “The 30th Japan International Machine Tool Fair” Cancelled**

Tokyo Big Sight was decided to be used as IBC (International Broadcasting Center) and MPC (Main Press Center) at the Tokyo 2020 Olympics and Paralympics Games. However, the usage of East Exhibition Hall as IBC will be extended due to the postponement of Tokyo 2020 Olympics and Paralympics Games to 2021.

As a result, we are unable to secure the exhibition halls as planned and enough spaces for all exhibitors, therefore we made a difficult decision to cancel JIMTOF 2020 (The 30th Japan International Machine Tool Fair) scheduled to be held at Tokyo Big Sight from December 7 to 12, 2020.

It is deeply regrettable for us as organizers, but we sincerely appreciate understanding from all exhibitors who have been preparing for the fair and those who have been cooperating with us.

Sincerely,

Japan Machine Tool Builders' Association
