■ Article 1. - Application for Exhibition and Agreement

The application for participation in the Fair and execution of the agreement therefor shall take effect when the Applicant submits the prescribed application form to TBSI and TBSI receives the same from the Applicant.

■ Article 2 – Size of Exhibition Area and Location of Exhibition Booth

The size of the exhibition area shall be coordinated by TBSI based on the number of booths requested by the Applicant in the prescribed application form and notified to the Applicant by TBSI with the official approval of participation in the Fair. The location(s) of the exhibition booth(s) shall be determined by the allocation of booths by TBSI. TBSI shall notify the Applicant of the location of the exhibition booth(s) after the booth allocation is determined. The Applicant shall have no right to object to, or request a change of, the size of the exhibition area or the location of the exhibition booth(s) once determined by TBSI (hereinafter the size of the exhibition area and the location of the exhibition booth(s) determined as above shall be referred to as the "Exhibition Space").

■ Article 3. - Conclusion of Agreement

TBSI shall notify the Applicant, if it is the case, that the application to participate in the Fair has been accepted. The agreement shall be deemed concluded when TBSI sends the Applicant an official notification of approval to participate in the Fair, upon which the Applicant shall acquire the right to use the Exhibition Space as an Exhibitor.

■ Article 4. – Payment of Booth Rental Fee

- (1) Based upon the size of the exhibition area stipulated in Article 2 hereof, TBSI shall invoice the booth rental fee set forth in "General Regulations" to be established by TBSI separately herefrom in two invoices, each in the amount of 50% of the fee (first invoice and second invoice). The Applicant shall be obliged to pay the booth rental fee invoiced by TBSI by way of remitting payment to the bank account indicated on the invoices by the due dates designated in the respective invoices. However, TBSI may invoice the entire amount of the booth rental fee in one lump sum, if necessary.
- (2) If the Applicant is a member of an organizing or a cooperating organization of JIMTOF 2026 (hereinafter referred to as "Organization") and the Organization itself invoices and collects the booth rental fee on behalf of the Applicant, the payment to the relevant Organization by the Applicant shall be deemed the payment of the booth rental fee to TBSI by the Applicant (the same shall apply with respect to the payment and receipt of the booth rental fee stipulated in these Provisions of the Exhibition Agreement).

■ Article 5. – Bank Transfer Fee, Etc.

- (1) If fees related to participation in the Fair are paid from a bank in Japan, any and all fees and charges that may arise with respect to their payment (such as remittance charges, etc.) shall be borne by the Applicant. If they are paid from a bank outside Japan, none of the fees and charges that may arise with respect to their payment (such as remittance charges, Japanese yen exchange handling fees, commissions for receiving and remitting payment in foreign currency, correspondent bank charges, inward remittance charges, etc.) is required to be borne by the Applicant. However, the Applicant shall be required to pay JPY 10,000 per payment to TBSI to cover the bank fees and charges incurred.
- (2) If the amount of bank fees and charges incurred in making the payment from a bank outside Japan is less than JPY 10,000, the difference shall not be returned by TBSI, and if that amount exceeds JPY 10,000, TBSI shall not charge the Applicant for the difference.
- (3) If bank fees and charges incurred in making the payment from a bank outside Japan are paid by the Applicant, no refund shall be made by TBSI.

■ Article 6 - Period of Use of Exhibition Space

The Exhibition Space may be used during the Fair period, which is from Monday, October 26 to Saturday, October 31, 2026, and during the period from the first day of delivery to the completion of removal to be notified by TBSI to the Applicant separately herefrom; provided, however, that the Applicant may lose the right to use the Exhibition Space before the last day of removal to be notified by TBSI, if TBSI considers that the Applicant has completed work to restore the space to the original conditions stipulated in Article 16 hereof.

■ Article 7 - Prohibition of Assignment of Exhibition Space

The Applicant may not pledge, hypothecate, assign or sublease all or any part of the Exhibition Space to any third party, whether for consideration or otherwise, nor may the Applicant swap the Exhibition

■ Article 8 - Cancellation or Modification of Exhibition Agreement

- (1) The Applicant may not cancel or modify the Exhibition Agreement, in principle, whether in whole or in part, except to the extent that the Applicant notifies TBSI of such intention in writing or otherwise and obtains its consent thereon, in which event, however, the Applicant shall be required to pay a penalty to TBSI in the amount set forth in the table below, according to the date on which TBSI receives notification in writing or otherwise from the Applicant.

If any amount of the booth rental fee is already paid, all or part of the amount already paid shall be applied to the cancellation fee. Further, the amount of the cancelation fee to be paid when a part of the Exhibition Agreement is cancelled shall be calculated based upon the amount of the cancellation fee corresponding to the size of the exhibition area to be cancelled.

- (2) If the Applicant loses its status as a member of an Organization or of an overseas association specified in the General Regulations, this shall constitute a modification of the agreement, and the status of the Applicant thereunder shall be changed to that of a "non-member." In this case, TBSI shall additionally charge the Applicant for the amount to cover the difference in the booth rental fee, and the Applicant shall pay such amount to TBSI.
- (3) If TBSI considers that any of the items set forth below has occurred with the Applicant, TBSI may cancel the Exhibition Agreement without any prior notice, in which case, TBSI shall not be required to return to the Applicant any amount of the booth rental fee already received, and TBSI shall not be held liable for any damage, etc. to the Applicant as a result thereof, and be entitled to demand compensation from the Applicant for damage, etc. If the Exhibition Agreement is cancelled during the period of the Fair, the Applicant must forthwith discontinue all actions relevant to participation in the Fair and restore the Exhibition Space to its original condition at its own expense as stipulated in Article 16 of this Agreement pursuant to instruction from TBSI:
